Reference Letter

To Whom It May Concern:

I have had the distinction of working with Charlie Craig as well as enjoying his friendship. Charlie is a man with passion, determination, and integrity. Not only is he a prolific award winning songwriter, I believe he has a gift for spotting potential star quality. He has a vision for seeing where an artist is, what they are capable of becoming and what is needed to complete that evolution; true artist development.

Most recently Charlie helped Giant Records secure a deal with the Wilkinsons. In such a competitive market I don't believe we could have made the deal without Charlie's involvement.

I believe Charlie would be a valuable asset to any music company, especially in a creative/management aspect.

Sincerely,

Doug Johnson
